The Lions Youth Exchange takes place in a protected and secure environment while enabling the youths' personal development and a mind-broadening experience including:

- ⚡ 1 to 2 weeks in a international youth camp
- ⚡ 1 to 2 weeks in homestay with a caring host family
- ⚡ Planned excursions
- ⚡ Culture and friendship
- ⚡ Board and lodging at the expense of the organising district or the host family

Welcome to Germany!

You will love it!

The Lions Youth Exchange Program was launched more than 60 years ago to provide the youth, future leaders with opportunities to learn about cultures and people other than their own, in an effort to promote peace in the world. Through our program, young people from all over the world are given the opportunity to live with host families in a foreign country for a few weeks, truly experiencing a new culture, a different way of life and making new friends during the Lions Youth Exchange. The German Lions yearly welcome about 250 participants, wishing them upon returning home to share their experience and henceforth living understanding with others as a mindset. The 20 German Lions Youth Exchange Chairpersons, more than 70 sponsoring Lions clubs, other local volunteers and the Lions Foundation Germany work hand in hand, to make the youth's sojourn in Germany unforgettable. Give it a try!
